TRIP ITINERARY (SIGNATURE)

Congratulations on booking your once-in-a-lifetime trip with us! Here are the details of your 7-day trip package with 5 days on board yacht.

Prior to your departure – Please make sure we have copies of your Passport, Visa, and flight information. If you are planning to stay an extra day or two before or after your week with us, make sure to let us know so we can help you book additional hotel nights, make alternative transfer arrangements, and set up great tours that will round out your Brazilian adventure experience!

1st DAY: Arrive in Manaus in the early afternoon or evening. Once you have cleared Brazilian Customs you will be met by our English-speaking host / hostess, who will be holding a large "Capt Peacock" sign. Then you will board our charter bus to be transferred to the hotel. Our staff will also provide you with your room keys as you will be pre checked-in.

2nd DAY: Your wakeup call is scheduled for 6 am. Following breakfast, you will need to check out of the hotel. We will leave for the Manaus Executive Airport no later than 7:45. There, you will board our private charter aircraft for the 1-hour flight upriver (350 miles NW) to meet the yacht. There is no restriction on the amount of luggage you can bring on the charter plane, but there is no need to over pack. Upon arrival in Barcelos or Santa Isabel you will be transferred to the yacht where you can relax, unpack, enjoy a drink and explore your floating boutique hotel while we get underway. In the afternoon, right after lunch, you will start your adventure onboard – you can elect to fish once we get further up river or simply relax for the remainder of the day.

3rd DAY: You will start the third day of the trip and the second day on board with the entire day at your discretion. You will be fishing along with another guest and your guide. Cocktails and appetizers will be waiting for you upon your return to the ship. Dinner is served at 7pm.

4th DAY: Enjoy cruising the Amazon! The entire day is at your discretion.
5th DAY: Enjoy cruising the Amazon! The entire day is at your discretion.

6th DAY: Enjoy your last full day of fishing and adventure upon the river as the Rio Negro Queen sails back toward Manaus. There, we will overnight and guests will have the opportunity to go ashore to experience the city's nightlife or relax onboard.

7th DAY: Following breakfast, guests will return to the Barcelos Airport for the return flight to Manaus. Expect to arrive no later than 11:00 A.M. Because of this, please make sure to book your flight back home for NO SOONER THAN 1:00 PM, on the final day of the trip.

Guests staying at our host hotel prior to their flight will be taken there to relax and unwind (included in your package) before returning to the airport for the flight home.

Please Note: If you are staying until the next day, the airport transfer is not included but we are happy to make special arrangements for you.
