

Amazon SPORTFISHING MAP

UNITED STATES OF AMERICA

Itinerary

DAY-BY-DAY

DAY 1 SATURDAY

You will depart from the U.S. and arrive in Manaus, Brazil, early the following morning after a 5-hour flight. Upon clearing Customs, our Englishspeaking team will greet you and escort you to our private bus for a short 7-minute ride to the ship's private marina, where the RIO NEGRO QUEEN is docked. Once aboard, you can relax, unpack, enjoy a welcome cocktail, and explore your floating boutique hotel as we set sail along the upper Rio Negro River to the Amazon's most exclusive fishing grounds.

DAY 2 SUNDAY

Spend the entire day at leisure aboard the Rio Negro Queen as you cruise the magnificent Rio Negro River, surrounded by its rich biodiversity. Throughout your journey, you'll receive guidance on fishing techniques for peacock bass and other Amazonian species, along with information about various onboard experiences. Take this opportunity to unwind from your travel fatigue while meeting your fishing guide and crew members.

DAY 3 MONDAY

After breakfast, your first day of adventure begins as you embark on our tracker bass boats. You and your partner can choose to fish all day or return for lunch before heading back to the fishing grounds for the afternoon session. Around 5 PM, you'll return to the boat for the day, where you can unwind and enjoy a sunset cocktail.

DAY 4 DAY 5 DAY 6 DAY 7 TUESDAY WEDNESDAY THURSDAY FRIDAY

You will have the opportunity to fish for trophy peacock bass and other remarkable species, as well as participate in eco-tour expeditions. The entire trip is designed to cater to your preferences, allowing you to personalize your fishing experience with your chosen boat, guide, and schedule.

DAY 7 / FRIDAY: Your final day of fishing concludes at 5 PM, followed by a festive luau on the beach. Later that night, after the luau, the ship will begin its cruise downriver back to Manaus City.

DAY 8 SATURDAY

Spend your final day at leisure aboard the Rio Negro Queen as you cruise down the majestic Rio Negro River, taking in its unique biodiversity of flora and fauna. You can expect to arrive at the ship's private marina in Manaus City by no later than 10:00 PM. When booking your return flight, please ensure it departs after 1:00 AM or on the following Saturday morning. Transfers to the airport are included in your package, and our ground team will be on hand to assist you.
